An introduction into study of understanding, caring for and supporting the development of young children

EIM TRAINING

CHC30121 Certificate III in Early Childhood Education and Care

An introduction into study of understanding, caring for and supporting the development of young children

Summary

This qualification provides students with legal entry, comprehensive knowledge and confidence to work with young children in the early childhood sector. Students will be exposed to both classroom and workplace training, ensuring you will gain the skills to have a rewarding career within this field .

Structure

This qualification can be completed as classroom-based or workplace-based training.

Classroom-based students

32 weeks face to face delivery in the classroom, attending 2 days per week of formal lectures and 1 day of class-based self-paced study per week, with an additional 160 hours of vocational placement. Typical total duration is 8-12 months.

Workplace-based students

15 months in the workplace with visits from our trainer once every two months.

Support

Students will be provided with resources, assessment tools, organisation policies and procedures and reference resources. Trainers are available by appointment for one-on-one mentoring if required. EIM also boasts a strong student hub and student services department.

Eligibility

Students must have appropriate level of ACSF skills (Language, Literacy, Numeracy and Digital)
Students must be eligible to obtain a Blue Card, please click on the link to discover more about Blue Cards www.eim.edu.au/blue-card/
