An advanced study of understanding, caring for and supporting the development of young children

Summary

This qualification provides students with an advanced understanding of planning, implementing and managing programs in Early Childhood services. Students will develop a working knowledge of current regulations and law within children's services.

Structure

This is a 73-week qualification, taught in-class with additional vocational placement. Students will be required to attend 2 days of formal lectures (9am - 3pm) and 1 day of class-based self-paced study per week. The qualification is comprised of competency-based training and assessment - no exams! Students will be required to log a minimum of 280 hours of vocational placement, with EIM International securing this placement on the students behalf.

Support

Students will be provided with resources, assessment tools, organisation policies and procedures and reference resources. Trainers are available by appointment for one-on-one mentoring if required. EIM also boasts a strong student hub and student services department.

Eligibility

Entry to this qualification is open to individuals who already hold a CHC30121 Certificate III in Early Childhood Education and Care (CRICOS: 107210A) or a CHC30113 Certificate III in Childhood Education and Care (CRICOS: 083511A).

Students must have passed equivalent Australian Year 11 qualifications, and hold an overall IELTS 5.5 average, or equivalent language level.

Students must be eligible to obtain a Blue Card, please click on the link to discover more about Blue Cards https://www.eim.edu.au/blue-card/
